3. INFORMATION WE GIVE YOU

- 3.1 By law, the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 say that We must give You certain key information before a legally binding contract between You and Us is made (see the summary box below). We will give You this information in a clear and understandable way. Typically, Our representative will give You this information on paper when at Your Home before You purchase the Services from Us. However, if You and We conclude the Contract via email, We will set this information out in Our acknowledgement email (see Clause 4.8 below). Some of this information is likely to be obvious from the context. Some of this information is also set out in these Terms and Conditions, such as information on Our complaint handling policy (see Clause 18.3).

Information We will give You

We will give You information on:

- the main characteristics of the Services You want to purchase from Us
- who We are, where We are based and how You can contact Us
- the total price of the Services, including any taxes (or where this cannot reasonably be worked out in advance, the manner in which We will work out the price)
- the arrangements for payment and carrying out of the Services and the time by which We will carry out the Services
- our complaint handling policy
- how long the contract is for and how to end it

- 3.2 The key information We give You by law forms part of the Contract (as though it is set out in the Contract).
- 3.3 If We have to change any key information once a legally binding contract between You and Us is made, then We will follow the process set out in Clause 19.6.

4. PLACING AN ORDER

- 4.1 This Clause 4 sets out how a legally binding contract will be formed between You and Us. A legally binding contract may be formed either:

- at Your Home (at the time You and We have arranged for Us to attend Your Home to undertake the Survey, install the GN Equipment and activate the Services); or
 - via email (if We have sent You a copy of Our order form and You have returned it to Us in advance of Us visiting Your Home).
- 4.2 If You are under the age of 18 years old, You may not purchase any Services from Us.

Quotations

- 4.3 Any quotation given by Us before You place an order for the Services is not a binding offer by Us to supply such Services.

Completing the Order Form

- 4.4 To purchase any of the Services from Us You will need to fill in and then sign an order form specifying the Services which You require from Us (the **“Order Form”**).
- 4.5 You should check the Order Form carefully before signing it. In particular, You must ensure that You have filled in Your personal details on the Order Form correctly (especially Your email address, Your residential address and the Services which You require) otherwise We will not be able to confirm Your order or provide the Services to You. If You need to correct any errors, You can do so by completing a new Order Form (please contact Us using Our contact details set out in Clause 1.3 above if You need Us to send You a replacement Order Form).
- 4.6 We will only accept Your order when:
- We send You a copy of the counter-signed Order Form via email (see Clauses 4.7 to 4.10 below); or
 - Our representative counter-signs the Order Form at Your Home (see Clauses 4.11 to 4.12 below).

At this point, a legally binding contract will be in place between You and Us.

Acceptance of an Order – by email

- 4.7 Before We attend Your Home to carry out a Survey, We require You to sign and return the Order Form to Us by e-mail.
- 4.8 Once You have submitted a completed and signed Order Form to Us, We will acknowledge it by email. This does not mean that We have accepted Your order.
- 4.9 We will contact You if Your order has not been accepted. This will usually be because:
- (a) Your Home is outside Our service area or We are unable to activate the Services on Your line or at Your Home for any reason;
 - (b) We cannot perform the Services (this may be because, for example, We have a shortage of staff);
 - (c) Your equipment does not meet Our minimum requirements for Internet access;
 - (d) You are not allowed to purchase the Services from Us;
 - (e) We are not allowed to sell the Services to You;
 - (f) There has been a mistake on the pricing or description of the Services; or
 - (g) We cannot carry out the installation of the GN Equipment or provide a connection to the Services for any other reason.
- 4.10 We will only accept Your order when We confirm this by sending You a copy of the counter-signed Order Form, which We will do via email. At this point a legally binding contract will be in place between You and Us.

Acceptance of an Order – at Your Home

- 4.11 When Our representative visits Your Home to undertake the Survey and, if possible, install the GN Equipment and activate the Services, Our representative will either:
- (a) accept Your order by counter-signing the Order Form; or
 - (b) inform You that We cannot accept Your order. This will usually be because of the reasons stated in Clause 4.9 above.
- 4.12 As stated in Clause 4.6 above, if Our representative counter-signs the Order Form, a legally binding contract will be in place between You and Us.

5 WHEN THE CONTRACT AND THE SERVICES START

- 5.1 The Contract begins on the date that We have confirmed that We have accepted Your order by counter-signing the Order Form (as set out in Clause 4 above).
- 5.2 The Contract will continue until it is terminated by either You or Us as set out in Clauses 16 and 17 of these Terms and Conditions.
- 5.3 The Services will start on the date that We activate them. We will activate the Services on the date the GN Equipment has been successfully installed at Your Home.
- 5.4 You are required to purchase the Services (and We will provide the Services) for the Committed Term stated in the Order Form. The initial Committed Term starts on the date We activate the Services.
- 5.5 At the end of the Committed Term, the Contract will continue until it is cancelled by either You and/or Us by giving to the other not less than 30 days' notice in accordance with Clause 17.1.

6 PROVISION OF THE SERVICES

- 6.1 We provide the following services:
- (a) **Internet Access Services:** We provide a high-speed Internet access service, in a range of options, which is delivered over the connection We provide to You. The option that You have selected is set out in the Order Form;
 - (b) **Voice Services:** We provide a voice IP telephony service, the details of which are set out in the Order Form; and
 - (c) **Helpdesk:** We provide a helpdesk service to all of Our customers. In the event You have any questions or queries over the administration of the Services (for example, queries over Your bills) or if You require any support and maintenance in respect of the GN Equipment and Services, You can contact Us using Our contact details set out in Clause 1.3 above.
- 6.2 We will:
- (a) provide You with Services which comply with Your legal rights;
 - (b) perform the Services:
 - (i) in accordance with these Terms and Conditions;
 - (ii) with the reasonable skill and care of a competent telecommunications service provider; and
 - (iii) within a reasonable time if You and We haven't fixed a time for the Services to be carried out; and
 - (c) manage the GN Network 24 hours a day, 7 days per week.
- 6.3 In respect of the Voice Services:
- (a) We will provide access to 112 and 999 services free of charge;
 - (b) You acknowledge and accept that Your ability to make and receive calls (including calls to 112 and 999 services) is dependent on electricity power and access to the Internet. You therefore need to keep Your broadband router plugged in and switched on at all times in order to make and receive calls. In the event there is a loss or failure of power or an Internet connection, You will be unable to make or receive calls (and that includes calls to the emergency services whether on 112 or 999 or otherwise). We therefore recommend that You have alternative measures in place (for example, ensuring Your mobile phone is fully charged and accessible to make and receive calls to and from the emergency services should the need arise).

- (c) You acknowledge and accept that in respect of the Voice Services:
 - (i) We will give Your name, address and telephone number to the emergency services prior to activation of the Services; and
 - (ii) You must tell Us if Your personal details change so that We can update the records held about You by the emergency services.
- 6.4 We must carry out the Services by the time or within the period which You and We agree (in writing). If You and We have agreed no time or period, this will be within a reasonable time.
- 6.5 We will guarantee Your speed of access to the Internet as stated in the Order Form, but cannot guarantee the actual performance of the Internet.
- 6.6 We may from time to time:
- (a) change the technical specification of the Services and/or the codes or numbers used by Us for the provision of the Service for operational reasons, provided that any change to the technical specification does not materially affect the performance of the Services;
 - (b) upgrade and update the GN Equipment and the Services;
 - (c) issue instructions to You that We believe are necessary for reasons of health, safety or the quality of the Services, provided by Us to You or any of Our other customers and You must comply with such instructions; and
 - (d) temporarily suspend the Services because of an emergency or to undertake maintenance or implement improvements to the Services. We will use reasonable endeavours to keep the period of any temporary suspension to a minimum and will restore the Services as soon as possible after the event giving rise to the temporary suspension.

Where any of the actions listed in this Clause 6.6 are necessary, We will give You as much advance notice as possible. Failure to provide such notice shall not prevent Us from exercising Our rights set out in this Clause 6.6 or deemed to be a breach by Us of Our Contract with You.

- 6.7 With the exception of the GN Equipment, You are responsible for providing suitable computer hardware, software and telecommunications equipment and related services necessary to access and use the Services.

7 OUR EQUIPMENT

- 7.1 We will provide You with the GN Equipment for the duration of the Contract. The GN Equipment will need to be installed by Us at Your Home to enable Us to provide the Services.
- 7.2 Our provisioning team will contact You to arrange the date of installation (if installation does not happen on the date We counter-sign the Order Form).
- 7.3 Once We have installed the GN Equipment at Your Home, You are responsible for any loss or damage to the GN Equipment (however that loss or damage occurs). That means:
- (a) We may charge You for any loss or damage to the GN Equipment; and
 - (b) You must:
 - (i) follow the instructions which are provided with the GN Equipment (including the manufacturer's instructions and any instructions which We give to You);
 - (ii) store the GN Equipment in a proper manner and in conditions which adequately protect and preserve the GN Equipment;
 - (iii) ensure that the GN Equipment is not tampered with in any way whether by You, any members of Your household or any third party who is not authorised by Us (including disassembling it, adding to or modifying it);
 - (iv) contact Us immediately using Our contact details set out in Clause 1.3 above if the GN Equipment is lost, damaged, stolen, seized or You otherwise lose possession of the GN Equipment;
 - (v) keep the GN Equipment in Your Home. You must not sell, charge, pledge, mortgage or otherwise dispose of the GN Equipment or any part of it. You must not part with possession of the GN Equipment or any part of it; and
 - (vi) not remove any label or identification on the GN Equipment which confirms that it belongs to Us.
- 7.4 We recommend You check Your Home contents insurance to ensure the GN Equipment is covered by it.
- 7.5 You are not responsible for any loss or damage to the GN Equipment which is due to fair wear and tear or which is caused by Us or those working for Us.
- 7.6 The GN Equipment will be Our property at all times (even though it is located at Your Home and You are responsible for any loss or damage to it). We may need to alter or replace the GN Equipment from time to time. To do so, We will need reasonable access to Your Home (and the provisions of Clause 9 will apply).
- 7.7 You must return the GN Equipment to Us:
- (a) if You or We end the Contract; or
 - (b) if We agree to replace or upgrade the GN Equipment.

In each of these circumstances, We will tell You how You can return the GN Equipment to Us. You must return the GN Equipment to Us or make it available for Us to collect within 30 days of You or Us ending the Contract or You receiving a replacement or upgrade from Us. If We request that You return the GN Equipment to Us, We will send You an addressed and pre-paid envelope for this purpose. We recommend that You request and retain proof of postage.

- 7.8 If You do not return the GN Equipment to Us within 30 days, We may charge You for the replacement cost of the GN Equipment and/or any reasonable costs We incur in recovering the GN Equipment. These costs are set out on the Order Form (and available to view on the Website).

8 CONNECTION OF EQUIPMENT TO THE SERVICES

- 8.1 You may use Your equipment with the GN Equipment. Where You chose to do so:
- (a) You are solely responsible for ensuring Your equipment:
 - (i) complies with all applicable laws and regulations; and
 - (ii) works with the GN Equipment (We give no assurance or guarantee that it will work); and
 - (b) We are not responsible or liable for any loss or damage arising from the use of Your equipment with the GN Equipment.
- 8.2 When We activate the Services, Your equipment will automatically accept certain software. You may only use such software in executable code form and solely in conjunction with Your equipment.
- 8.3 Where We have allocated an IP address to You, the IP address is for use in connection only with the Services and the IP address will belong to Us. You must not sell the IP address or agree to transfer it to anyone else and must not try to do so. If the Contract is terminated for any reason the IP address will revert to Us and You will not use the IP address.

9 ACCESS TO YOUR HOME

General

- 9.1 To enable Us to carry out Our obligations under this Contract (for example, to undertake the Survey, to install the GN Equipment and activate the Services and to fix any faults with the GN Equipment and/or the Services), We will need to access Your Home. We will agree with You in advance when We will require access to Your Home. You will therefore need to provide Us (or those engaged by Us) with access to Your Home on the dates and at the times You and We have agreed.
- 9.2 There may be occasions when You or We need to change the date and/or time We attend Your Home:
- (a) If We need to change the date and/or time We attend Your Home, We will contact You as soon as possible to tell You that We need to change the date and/or time and to arrange an alternative date and/or time; and
 - (b) If You need to change the date and/or time We attend Your Home, You should contact Us using Our contact details set out in Clause 1.3 above. We require a minimum of 24 hours' notice. If You give Us less than 24 hours' notice, We may charge You the late cancellation fee stated on the Order Form.
- 9.3 Our staff will always show You their identity card on arrival at Your Home. You should not allow any person claiming to be a member of Our staff access to Your Home who does not show You a valid identity card.
- 9.4 We will normally only require access to Your Home between 09.00 hours and 18.00 hours on Mondays to Fridays. We may, however, require access to Your Home outside these times. Any such access will be agreed with You in advance (in accordance with Clause 9.1 above).
- 9.5 Where You have requested and We have agreed to access Your Home outside the hours stated in Clause 9.4 above (for example, for the purposes of installing the GN Equipment), You will be required to pay the Additional Service Charges set out in the Order Form.
- 9.6 We are under no obligation to attend Your Home:
- (a) outside the hours of 09.00 and 18.00 on Mondays to Fridays;
 - (b) at weekends; or
 - (c) on bank or public holidays in the United Kingdom.

Installing the GN Equipment

- 9.7 Before We can install the GN Equipment at Your Home We will need to undertake an initial survey to determine whether the GN Equipment can be installed at Your Home and We can activate the Services (the "Survey").
- 9.8 We will notify You as soon as possible following the Survey if We will not be able to install the GN Equipment at Your Home and/or activate the Services and We may terminate the Contract. If We terminate the Contract pursuant to this Clause 9.8, We will refund You any Charges You have already paid to Us in connection with the installation of the GN Equipment and the provision of the Services, but will have no further liability to You for any failure to provide the Services.
- 9.9 When We install the GN Equipment at Your Home:
- (a) You (or a person authorised by You who is over the age of 18) will need to be present when We install the GN Equipment at Your Home. If You are not present, the person authorised by You must be authorised to make decisions about the location and installation of the GN Equipment;
 - (b) You will be responsible for making available suitable space and conditions at Your Home for the installation of the GN Equipment;
 - (c) We will install the GN Equipment as We see fit. We will take into account, where it is reasonable and possible to do so, Your preferences for its location;
 - (d) We will connect Your or Our equipment to the GN Equipment and demonstrate a working Internet connection (provided Your equipment is in working order and meets the minimum requirements). You authorise Us to do this. You will be responsible for connecting all other equipment and devices to the GN Equipment.
- 9.10 You are responsible for:
- (a) obtaining all necessary consents and permissions, including:
 - (i) from the property owner if You rent Your Home; and

- (ii) from Your local council (if We need to lay cable from the street to Your address), in order for Us to install and maintain the GN Equipment and provide the Services at Your Home;
- (b) preparing Your Home and Your equipment for the installation of the GN Equipment in accordance with Our reasonable instructions (if any);
- (c) ensuring Your equipment works. We are not responsible for ensuring Your equipment (for example, Your computer or mobile phone) works or meets the minimum requirements;
- (d) ensuring You have the necessary fittings and fixtures at Your Home for the installation of the GN Equipment and sufficient electricity to power the GN Equipment; and
- (e) restoring Your Home to its pre-installation condition, including any re-decorating that may be required once installation of the GN Equipment has been completed.

10 USE OF THE SERVICES

- 10.1 You may only use the Services and the GN Equipment for Your own (and the members of Your household's own) purposes only and not for any business or commercial purposes.
- 10.2 You:
- (a) must not use the Services or the GN Equipment (or permit anyone else to use the Services or the GN Equipment) in any unlawful manner, for any unlawful purpose, in any manner inconsistent with these Terms and Conditions or for any act fraudulent or malicious act, for example, by hacking into or inserting malicious code, such as viruses, or harmful data, into the Services, the GN Equipment or any operating system;
 - (b) must not infringe Our intellectual property rights or those of any third party in relation to Your use of the Services, including by the submission of any infringing materials; and
 - (c) must not use the Services to send any communication or material which is illegal, defamatory, offensive or otherwise objectionable, including to spam, or to send or provide unsolicited advertising or promotional material or, knowingly to receive responses to any spam, unsolicited advertising or promotional material sent or provided by any third party.
- If We believe that You are doing any of the things listed in this Clause 10.2, We may reduce, suspend and/or terminate any or all of the Services immediately and without giving You notice.
- 10.3 We do not guarantee total privacy in respect of Your use and access to the Services. We may, from time to time, be required to monitor Your use of the Services in response to a request from a governmental body in performing its regulatory or statutory functions.

11 INTERNET

- 11.1 The Services will enable You to access the Internet from Your Home.
- 11.2 We do not provide You with the Internet. The Internet is entirely separate from the Services. Your use of the Internet is solely at Your risk and You are responsible for complying with the relevant terms of use (i.e. the terms of use which You will have to accept to use the Internet, including the terms of use of any websites which You visit).
- 11.3 We have no responsibility to You for any information, software, services or other materials which You obtain using the Internet.

- 12.3 We will take all proper steps without undue delay to correct any reported fault in the Services.

- ### Your statutory rights

- 13.9 The price of the Services:
- (a) is in pounds sterling (£) (GBP); and

14 OUR LIABILITY TO YOU

- 14.1 These Terms and Conditions do not exclude or limit Our liability (if any) for:
- (a) death or personal injury caused by Our negligence;
 - (b) fraud or fraudulent misrepresentation; or
 - (c) any matter which it would be illegal for Us to exclude or attempt to exclude Our liability for.
- 14.2 We are only liable to You for losses which You suffer as a direct result of Our breach of this Contract and which are reasonably foreseeable. We are not liable to You for any other losses.

- 14.3 We are not responsible to You for any business losses that You may incur (including but not limited to lost profits, lost revenues, business interruption or lost data) or for losses to non-consumers.

15 EVENTS OUTSIDE OUR CONTROL

- 15.1 Our carrying out of the Services might be affected by events beyond Our reasonable control. If so, there might be a delay before We can restart the Services, having made reasonable efforts to limit the effect of any of those events and having kept You informed of the circumstances. We will try to restart the Services as soon as those events have been fixed. Examples of events which might be beyond Our reasonable control include:
- (a) We cannot access Your Home at the times We agreed with You;
 - (b) You have not prepared Your Home or Your equipment in the way We agreed with You; and
 - (c) poor weather conditions.

16 RIGHT TO CANCEL THIS CONTRACT

- 16.1 You have the right to cancel the Contract within 14 days without giving any reason. This cancellation period will expire after 14 days of the conclusion of the Contract (as set out in Clause 4.6).
- 16.2 To exercise the right to cancel the Contract, You must inform Us of Your decision to cancel this Contract by a clear statement (for example, a letter sent by post, fax or email). You can use the model cancellation form set out in the box below, but it is not obligatory:

- 16.3 To meet the cancellation deadline, it is sufficient for You to send Your communication concerning Your exercise of the right to cancel before the cancellation period has expired.
- 16.4 We will wait until the 14 day cancellation period in this Clause 16 is over before We start to carry out the Services, unless:
- (a) You want Us to carry out the Services during the 14 day cancellation period;
 - (b) We have agreed to do so, and
 - (c) You have signed a written confirmation (a copy of which is set out in the box below) and given it to Our representative (if You do this, the written confirmation which You sign will form part of the Contract as though set out in full here).

Written confirmation to start carrying out the Services within the 14-day cancellation period

Confirmation to start work early:

The Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 say that in most cases, you can cancel the contract within 14 days. This may happen because you change your mind.

By signing this written confirmation and giving it to our representative, you agree that, on your request, we can start to carry out the services during the 14-day cancellation period.

You still have a right to change your mind and cancel the contract during the 14-day cancellation period, however, we will charge you for the cost of the services carried out by us until the time when you tell us that you want to cancel the contract. The amount we charge you will be in proportion to what we have carried out, in comparison with the full coverage of this contract.

You acknowledge, however, that you will lose the right to change your mind and cancel the contract during the 14-day cancellation period once the services have been fully carried out by us. If this happens, we will charge you for the full cost of the services carried out by us.
